

Personal Information:

_Name: abasali-javadi

Marital status: Married

Number of children: 2

Academic position: Associate professor

Address:

Infectious Diseases and Tropical Medicine Research Center. Isfahan University of Medical Sciences.
Isfahan-Iran

Tel: +983113377172

fax: +983113373735

E-mail: Javadi@med.mui.ac.ir

Education:

MD. Isfahan university 1975-1981.

Especially. Infectious Diseases and Tropical Medicine. Isfahan University. 1991-1995.

Professional experience:

Head of Infectious Disease and Tropical Medicine Research Center. 2007- present.

Deputy for Research in Infectious Disease and Tropical Medicine Research Center. 2006-2007.

Deputy for Manager of treatment. 2003-2004.

Research Projects:

- 1) Head project in: "The comparison of relative frequency of CCHF positive serology in imported and native sheeps at Isfahan province".
- 2) Head project in: "The comparison of Quality of life between Patients with Chronic liver disease arising from hepatitis B and C and Control Group in 2004 – 2005".
- 3) Head project in: "The prevalence of hepatitis A, B and E virus in Isfahan in 2005-2006".
- 4) Head project in: "The Comparison of two different therapeutic regimens of Dot strategy in patients with pulmonary tuberculosis".

- 5) Head project in: "Assessment of the Relative frequency of prevalence of HBV, HCV, HIV in Street Children and teenager in Isfahan city in 2005-2006".
- 6) Head project in: "Distribution of ticks and their assessment to Borrelia and CCHF in Isfahan province".
- 7) Head project in: "Prevalence of Hepatitis B and C virus Infection in barbers in the Isfahan City – Iran 2007".
- 8) Head project in: "Study of dysentery outbreak in Naein & Ardestan, Isfahan by conventional and advanced Molecular Microbiology".
- 9) Head project in: "Prevalence of HDV in chronic carriers of HBV in Isfahan in 2007".
- 10) Head project in: "Prevalence of Hepatitis B and their Risk Factors in Transit Heavy Vehicle Drivers - 2007".
- 11) Head project in: Screening and survey frequency of pulmonary tuberculosis in patients with chronic cough in Isfahan province.
- 12) Head project in: "The assessment and management of hepatitis C in IVDA in Isfahan province" 2008.
- 13) Head project in: "Study of Seroprevalence of hepatitis A virus (HAV) in Fresh College Students of Isfahan, Hamedan, Kermanshah University of medical sciences".
- 14) Head project in: "Study of seroprevalence of hepatitis A virus (HAV) in fresh college student of Isfahan, Kermanshah, Hamedan University".
- 15) Head project in: "Prevalence of infectious rate and identification of Brucella species in raw milk with Real time PCR system in Isfahan city".
- 16) Head project in: "Prevalence of infectious rate and identification of Brucella species in dairy product with Real time PCR system in Isfahan city in 1389".
- 17) Head project in: "Prevalence and Genotyping of rotavirus in 2-60 month old children with acute diarrhea in ambulatory settings in Isfahan, Iran, 2010".
- 18) Head project in: " The Prevalance of Anti HEV-IgG in Hemodialysis Patients and Control Group and Relation of Relative Risk Factors".
- 19) Head project in: " The Comparison of H.pylori prevalence in hemodialysis patients and healthy ones and associated risk factors".
- 20) Head project in: "Seroepidemiology and Risk Factors of HIV Infection in Prison's IVDUs in Isfahan Province".
- 21) Co- operate in: "The prevalence of Toxoplasmosis in Isfahan province".
- 22) Co- operate in: "The prevalence of cytomegalovirus infection in people in Isfahan province".
- 23) Co- operate in: "A pilot study for Surveillance of acute respiratory infections among outpatients in Isfahan city (2009-2010) ".
- 24) Co- operate in: "Prevalence of hepatitis B, C, HIV infections and HBs antibody titer among private and governmental laboratories' staff in Esfahan city in 2009-2010".
- 25) Co- operate in: "Comparison assessment of result biopsies of liver with Hepascore in patients genotypes 1" .
- 26) Co- operate in: "Evaluation of the frequency of genetic resistance to Lamivudine and Adefovir in treatment naïve patients with chronic hepatitis B infection: a pilot study".
- 27) Co- operate in: "Study of frequency of distribution of common Dermatophyts on mats of wrestling halls in Isfahan 2010 ".
- 28) Co- operate in: "Assessment and Comparison of HBS – Antibody Rate in Type 2 Diabetic and non-diabetic Subjects after Hepatitis B Vaccination – 2003".
- 39) Co- operate in: "Detection of HCV genome in norgesic by PCR method".

- 30) Co- operate in: "Seroprevalence of and Risk factors associated with HBV,HCV and HIV virus among prisoners in Iran".
- 31) Co- operate in: "The comparison of seropveralence of Helicobacter Pylori in type 2 Diabetic and nondiabetic Subjects – 2003".
- 32) Co- operate in: "The assessment of Nutritional and Anthropometric Status and their relation ship with CD4⁺ Count in HIV⁺/AIDS patients in Isfahan Referred to Navab Safavi Medical Center – 2005".
- 33) Co- operate in: "The assessment of the Relative frequency of prevalence of HBV, HCV and HIV in incarcerated juvenile in Isfahan in 2006".
- 34) Co- operate in: "Study of IgG Seroprevalence of Bordetella Pertusis Infections in Fresh man of Isfahan University 2007".
- 35) Co- operate in: "The assessment of the effects of Zinc supplements on T-Lymphocyte profiles in patients with AIDS referred to Navab- Safavi medical center -2005".
- 36) Co-operate in: "The epidemiology of sexually transmitted infection and associated risk factors among women sex workers in Isfahan-Iran, 2008".
- 37) Co-operate in: "Prevalence of STI according to approach in men who are referred to drop-in centers (DICs), Narcotics Anonymous (NA) groups and Voluntary Consulting and Testing (VCT) center in Isfahan, 2010-2011".
- 38) Co-operate in: "Prevalence of enteroviruses in CSF specimens from hospitalized patients diagnosed with meningitis/encephalitis with Real Time PCR in Isfahan city hospitals 2010-2011".
- 39) Co-operate in: "Frequency of aspergillus spp in bronchoalveolar lavage samples by real time time PCR in respiratory ICU at Al_ Zahra hospital-2010".
- 40) Co-operate in: "Frequency of candida albicans in bronchoalveolar lavage samples by real time PCR in respiratory ICU at Al_ Zahra hospital- 2010".
- 41) Co-operate in: "Comparing two approaches of blood culture and 16s rDNA Real time PCR in Diagnosing Bacterial infectious of febrile neutropenic Patients at Seyedo-Shohada Hospital in Isfahan in 2010-11".42) Co-operate in: "Comparison assessment of two methods (Real Time PCR & Culture) in detection of Candida albicans in immuno compromised patients in Isfahan city hospitals in 2010-2011 years". 43) Co-operate in: "Frequency assessment of bacterial infections in the Patients with probable Meningitis by 16 s rDNA Real –time PCR in Diagnosing of Bacterial Meningitis at Al-Zahra Hospital in Isfahan in 2010". 44) Co-operate in: "Prevalence of Herpes simpelex virus (type 1,2) and Mycobacterium Tuberculosis in CSF specimens from hospitalized with meningitis/encephalitis with Real Time PCR in Isfahan City hospitals 2010-2011". 45) Co-operate in: "Frequency of Legionella in bronchiolar lavage samples byreal time PCR in respiratory ICU at AL-Zahra hospital -2010". 46) Co– operate in: "The Establishment of the first primary immunodeficiency Biobank in Isfahan University of Medical Sciences". 47) Co- operate in: "Evaluation & comparison of KIR genotype in Hepatitis B patients, susceptible families to hepatitis B and normal population". 48) Co– operate in: "Etiologic assessment of pneumonia outbreak occurring in Isfahan Dastgerd prison by using Real time PCR in 2010-2011".49) Co– operate in: "Comparative Prevalence Infection of Salmonella enterica serovars Typhi and Paratyphi A in gallbladder of patients with and without biliary disease in Alzahra Hospital-Isfahan using Molecular Methods And Culture".
- 50) Co– operate in: "Study of carbapene -resistance gene prevalence in Acintobacter isolates from ICU and surgery units , ALZAHRA hospital , Isfahan, Iran".
- 51) Co– operate in: " Isolation and identification of ESBLs, AmpC beta lactamases and Carbapenemase producing strains of Enterobacteriaceae in Al-Zahra Isfahan hospital and determination of their antibiotic susceptibility patterns".
- 52) C0- operate in : " The Assessment of Hepatitis B Seroprevalnce in personers with IVDU History in Isfahan province: Community Based study" .

- 53) Co- operate in : "The Relationship between Knowledge, Attitude and Caring Suevey toward HIV/AIDS patients among employed personnel in Isfahan university of medical sciences public hospitals and health centers in the year 2012".
- 54) Co- operate in: " Prevalence of Chlamydia trachomatis and potential Risk Factors among Cervical discharges from women with Risky Social Behavior in Isfahan, Iran, 2011".
- 55) Co- operate in: "Prevalence of Chlamydia trachomatis and potential Risk Factors in urine sample of women with Risky Social Behavior in Isfahan, Iran, 2012".
- 56) Co- operate in: "Prevalence of Neisseria Gonorrhoea and potential Risk Factors in urine sample of women with Risky Social Behavior in Isfahan, Iran, 2011".
- 57) Co- operate in: "Prevalence of Neisseria Gonorrhoea and potential Risk Factors among Cervical discharges from women with Risky Social Behavior in Isfahan, Iran, 2011".
- 58) Co- operate in: "Prevalence of HPV and potential Risk Factors among Cervical discharges from women with Risky Social Behavior in Isfahan, Iran, 2012".

Conference Presentations:

- 1) Survey and Coparative Result of treatment of Pulmonary Tuberculosis with DOTS and Standard Regimen. The 8th Iranian Congress on Infectious Diseases and Tropical Medicine 2000; Tehran.
- 2) Survey Epidemiologic chloral in Ardestan Area and Control of chlora. The 8th Iranian Congress on Infectious Diseases and Tropical Medicine, 2000.
- 3) Survey of Seroepidemiological Hydtid Cyst Disease in Kache Area and Comparative two test KASONI, IFA. Iranian 5th Congress on Infectious Diseases and Tropical Medicine, 1996: Tehran.
- 4) Seroepidemiology of Crimean-Congo Hamorrhagic fever among Butchers and slaughters of the Isfahan province, Iran in 2005. 12th International Congress on Infectious Diseases, Lisbon, Portugal. June 15-18, 2008.
- 5) The prevalence of HBs Antigenemia in patients with HIV Infection in Shiraz, Iran, 12th International Congress on Infectious Diseases, Lisbon, Portugal. June 15-18, 2008.
- 6) Correlation Between HBe Ag and Alanine Aminotransferase levels in chronic Hepatitis B with PCR positive patients. 12th International Congress on Infectious Diseases, Lisbon, Portugal. June 15-18, 2008.
- 7) Assessment of Quality of life in Hepatitis C patients in Isfahan Iran. International Congress on Infectious Diseases, Lisbon, Portugal. June 15-18, 2008.
- 8) HBV Markers in Central of Iran, 13th International Congress on Infectious Diseases, KualaLumpur, Malaysia, June 19-22, 2008.
- 9) Knowledge and practice about Aids. Hepatitis B and C in Barbers. 13th International Congress on Infectious Diseases, KualaLumpur, Malaysia, June 19-22, 2008.
- 10) Seroepidemiology of HEV Infection in Isfahan, Iran. A Community-Based study, 13th International Congress on Infectious Diseases, KualaLumpur, Malaysia, June 19-22, 2008.
- 11) Pleural Fluid Cholestrol and Bilirubin value in Diagnostic of Exudative from Transudative pleural Effusion, 13th International Congress on Infectious Diseases, Kuala Lumpur, Malaysia, June 19-22, 2008.
- 12) Prevalence of vancomycin-resistant enterococci colonization in gastro-intestinal tract of hospitalized patients in a hospital, Isfahan province-Iran. 18th European Congress of Clinical Microbiology and Infectious Diseases. Barcelona, Spain 2008.
- 13) Assessment of Quality of life in Hepatitis B patients. 13th International Congress on Infectious Diseases, KualaLumpur, Malaysia, June 19-22, 2008.
- 14) Assessment of HBV, HCV and their risk factors in HIV positive addict. The 1st National Congress of Infection in Addicts, 2008, February, IRAN. Risk Factors for Hepatitis B in Isfahan, Iran. 13th International Congress on Infectious Diseases, Kuala Lumpur, Malaysia, June 19-22, 2008.
- 15) Comparison of HBs-Ab serum levels between patients with Type 2 Diabetes Mellitus and Controls Following vaccination against Hepatitis B. The 1st National Congress of Endocrine & Metabolism updates, 2007, Isfahan, IRAN.
- 16) Seroepidemiology of Crimean-Congo hemorrhagic fever in domestic animals in central area if Iran. 17 th European Congress of clinical Microbiology and infectious Diseases, MÜNchen, 31 March-3 April, 2007.
- 17) Brucella Multi-organ involvement in a patients with negative serologic tests: Case report. 17th European Congress of clinical Microbiology and infectious Diseases, MÜNchen, 31 March-3 April 2007.
- 18) The assessment of knowledge about AIDS and its prevention on Isfahan high school students. 17th European Congress of Clinical Microbiology and Infectious Diseases, MÜNchen, 31 March-3 April 2007.

- 19) Delta hepatitis infection in patients with chronic hepatitis B infection in Isfahan, Iran. 19th European Congress Microbiology and Infectious Diseases, Helsinki, Finland 16-19 may 2009.
- 20) Hepatitis B and C among patients infected with human immunodeficiency virus in Isfahan -Iran: Seroprevalence and associated factors. 8th congress of Eurupran Federation of Internal Medicine. Turkey May 27-30, 2009.
- 21) Rrcognition of hepatitis V virus in a type of drug that is abused by intravenous drug users in Iran. Helsinki, Finland 16-19 may 2009.
- 22) Anti-HCV positivity in Cases with History of Intravenous Drug Abuse via Community Annoucement: A useful Experience. Iranian Association of Gastroentrolgy and Hepatology, Tehran 2009.
- 23) Assessment of thyroid dysfunction (Anti-TPO Abs & TSH Tests) in patients with hepatitis C virus infection treated with combination interferon- α 2 β and Ribavirin , 2nd Iranian Congress of Endocrine & Metabolism Updates. Isfahan-Iran,22-24 April 2009.
